Item 1.02. Termination of a Material Definitive Agreement.

Termination of MEC Products Consent Agreement with The Coca-Cola Company. On March 26, 2015, Coca-Cola Bottling Co. Consolidated (the “Company”), through its operating subsidiary, CCBCC Operations, LLC, and Monster Energy Company (“MEC”), an operating subsidiary of Monster Beverage Corporation, entered into a new distribution agreement (the “MEC Distribution Agreement”) granting the Company rights to distribute energy drink products offered, packaged and/or marketed by MEC under the primary brand name “Monster” (the “MEC Products”) throughout the same geographic territory the Company currently services for the distribution of Coca-Cola™ products (the “Territory”). The Company began distributing MEC Products pursuant to the MEC Distribution Agreement on or about April 6, 2015.

The Company had previously entered into an agreement (the “MEC Products Consent Agreement”) with The Coca-Cola Company (acting through its Coca-Cola North America Division) whereby The Coca-Cola Company consented to the Company distributing MEC Products pursuant to the MEC Distribution Agreement in that portion of the Territory where the Company did not currently distribute MEC Products (the “Additional MEC Products Territory”). Effective May 20, 2015, the Company and The Coca-Cola Company have terminated the MEC Products Consent Agreement.

The Company expects to enter into a new agreement with The Coca-Cola Company that will require the Company to make semi-annual payments to The Coca-Cola Company during the term of the MEC Distribution Agreement based on a specified amount per standard physical case of MEC Products sold by the Company in the Additional MEC Products Territory.

Relationship between the Parties to the MEC Products Consent Agreement. The business of the Company consists primarily of the production, marketing and distribution of nonalcoholic beverage products of The Coca-Cola Company in the territories the Company currently serves. Accordingly, the Company engages routinely in various transactions with The Coca-Cola Company and its affiliates.

The Coca-Cola Company also owns approximately 35% of the outstanding common stock of the Company, which represents approximately 5.0% of the total voting power of the Company’s common stock and class B common stock voting together. The Coca-Cola Company also has a designee serving on the Company’s Board of Directors. For more information about the relationship between the Company and The Coca-Cola Company, see the description thereof included under “Related Person Transactions” in the Company’s Notice of Annual Meeting and Proxy Statement for the Company’s 2015 Annual Meeting of Stockholders filed with the Securities and Exchange Commission on March 30, 2015.
