Item 1.01. Entry into a Material Definitive Agreement.

Purchase Agreement

On May 6, 2024, in connection with the Common Stock repurchase transactions described in Item 8.01 below, Coca-Cola Consolidated, Inc. (the “Company”) entered into a purchase agreement (the “Purchase Agreement”) with Carolina Coca-Cola Bottling Investments, Inc., an indirect wholly-owned subsidiary of The Coca-Cola Company (the “Seller”), pursuant to which the Company has agreed to purchase and the Seller has agreed to sell (the “Share Repurchase”), at a purchase price equal to the price paid by the Company in the Tender Offer (as defined below), a number of shares of Common Stock such that the Seller would beneficially own 21.5% of the Company’s outstanding shares of Common Stock immediately following the closing of the Share Repurchase (calculated assuming all issued and outstanding shares of Class B Common Stock are converted into Common Stock and taking into account the shares of Common Stock purchased in the Tender Offer). The Share Repurchase is conditioned on, among other things, completion of the Tender Offer (as defined below) and the purchase price applicable to the Tender Offer and the Share Repurchase being no less than \$925 per share. The Share Repurchase is expected to occur on the 11th business day following the expiration of the contemplated Tender Offer, subject to the satisfaction or waiver of the conditions to closing.

Amendment to Stock Rights and Restrictions Agreement

On May 6, 2024, the Company entered into Amendment No. 1 to the Amended and Restated Stock Rights and Restrictions Agreement, dated as of February 19, 2009 (“Amendment No. 1”), with the Seller, The Coca-Cola Company (together with the Seller, the “Shareholder”) and J. Frank Harrison, III, to provide that, among other things, so long as the Shareholder holds at least the number of shares of Common Stock that it will own immediately following the Share Repurchase (subject to adjustment for certain adjustment events), The Coca-Cola Company will continue to have the right to have its designee proposed by the Company for nomination to its Board of Directors. In addition, Amendment No. 1 provides the Shareholder with preemptive rights to purchase additional shares of Common Stock, subject to certain exceptions. Amendment No. 1 will terminate and be null and void if the Purchase Agreement is terminated and the Share Repurchase does not occur.

The foregoing descriptions of the Purchase Agreement and Amendment No. 1 are qualified in their entirety by reference to the full text of the Purchase Agreement and Amendment No. 1, copies of which are filed as Exhibit 10.1 and Exhibit 10.2 hereto, respectively, and are incorporated herein by reference.

Item 2.02. Results of Operations and Financial Condition.

On May 6, 2024, the Company issued a news release reporting its financial results for the first quarter ended March 29, 2024. A copy of the news release is furnished as Exhibit 99.1 hereto and is incorporated herein by reference.

Item 8.01. Other Events.

On May 6, 2024, the Company announced its intention to repurchase up to \$3.1 billion of its Common Stock through both a modified “Dutch auction” tender offer for up to \$2.0 billion of its Common Stock (the “Tender Offer”) and the Purchase Agreement. The Company expects the price range for the Tender Offer to be \$850 to \$925 per share of Common Stock. The Tender Offer is expected to be launched on or about May 20, 2024. There can be no assurance that the Share Repurchase or the Tender Offer will occur on the terms described herein or at all.

Additional Information Regarding the Tender Offer

The information in this report describing the Tender Offer is for informational purposes only and does not constitute an offer to buy or the solicitation of an offer to sell shares in the Tender Offer. Coca-Cola Consolidated has not yet commenced the Tender Offer described herein, and there can be no assurance that Coca-Cola Consolidated will commence the Tender Offer on the terms described in this report. The Tender Offer will be made only pursuant to an Offer to Purchase and the related materials that Coca-Cola Consolidated will file with the SEC and will distribute to its stockholders on the commencement date of the Tender Offer. Stockholders should read the Offer to Purchase and related materials carefully and in their entirety because they will contain important information, including the terms and conditions of the Tender Offer. When they are available, stockholders of the Company may obtain a free copy of the Tender Offer statement on Schedule TO, the Offer to Purchase and other documents that the Company will file with the SEC from the SEC’s website at www.sec.gov. When they are available, stockholders also will be able to obtain a copy of these documents, without charge, from Innisfree M&A Incorporated, the information agent for the Tender Offer, toll free at 1-877-456-3507. Stockholders are urged to carefully read all of those materials when they become available prior to making any decision with respect to the Tender Offer.

This Agreement contains the entire understanding of the parties hereto relating to the subject matter hereof and supersedes all prior agreements and understandings (oral or written) between the parties hereto with respect thereto. Neither this Agreement nor any provision hereof may be amended or modified other than by a written instrument signed by the Company and the Seller. Either party hereto may, only by an instrument in writing, waive compliance by the other party hereto with any term or provision of this Agreement on the part of such other party to be performed or complied with.

7.8 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Company and the Seller and their respective successors and permitted assignees.

7.9 Assignment. Neither the Company nor the Seller shall transfer or assign this Agreement or any of its rights, interests, or obligations hereunder, in whole or in part, whether voluntarily, by operation of law or otherwise, without the prior written approval of the other party.

(b) All Actions arising out of or relating to this Agreement shall be heard and determined in the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction over any Action, any state or federal court within the State of Delaware) and the parties hereto hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such Action and irrevocably waive the defense of an inconvenient forum or lack of jurisdiction to the maintenance of any such Action. The consents to jurisdiction and venue set forth in this Section 7.12 shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any person other than the parties hereto. Each party hereto agrees that service of process upon such party in any Action arising out of or relating to this Agreement shall be effective if notice is given by overnight courier at the address set forth in Section 7.6. The parties hereto agree that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law; provided, however, that nothing in the foregoing shall restrict any party's rights to seek any post-judgment relief regarding, or any appeal from, a final trial court judgment.

FIRST AMENDMENT TO AMENDED AND RESTATED STOCK RIGHTS AND RESTRICTIONS AGREEMENT

This First Amendment to Amended and Restated Stock Rights and Restrictions Agreement (this “Amendment”) is entered into on May 6, 2024, by and among The Coca-Cola Company, a Delaware corporation (“TCCC”), Carolina Coca-Cola Bottling Investments, Inc., a Delaware corporation (“CCCBI” and, together with TCCC, “Shareholder”), Coca-Cola Consolidated, Inc. (formerly known as Coca-Cola Bottling Co. Consolidated), a Delaware corporation (the “Company”), and J. Frank Harrison, III (“Harrison”). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Agreement (as hereinafter defined).

RECITALS

WHEREAS, Shareholder, the Company and Harrison are parties to that certain Amended and Restated Stock Rights and Restrictions Agreement, dated as of February 19, 2009 (the “Prior Agreement” and, as amended hereby and from time to time hereafter, the “Agreement”);

WHEREAS, the Agreement provides TCCC the right to designate one person reasonably acceptable to the Company for nomination to the Company’s Board of Directors at each election of directors when such nomination would be necessary for TCCC to have one representative on the Company’s Board of Directors immediately following such election; provided that Shareholder holds an aggregate of 2,482,165 shares of common stock of the Company, par value \$1.00 per share (the “Common Stock”), on a fully diluted basis (the “Board Nomination Right”);

WHEREAS, the Company and CCCBI have entered into a purchase agreement (the “Purchase Agreement”) whereby the Company has agreed to repurchase for cash the Seller Shares, as defined in the Purchase Agreement (the “Share Repurchase”);

WHEREAS, the Company intends to conduct a concurrent offer to purchase for cash shares of Common Stock from its other common stockholders; and

WHEREAS, concurrently with the execution of the Purchase Agreement, Shareholder, the Company and Harrison desire to amend the Prior Agreement to permit TCCC to retain its Board Nomination Right following the consummation of the Share Repurchase, as set forth herein.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained, Shareholder, the Company and Harrison hereby agree as follows:

1. Section 8 (Election of Director; Agreement Regarding Support) of the Agreement is hereby amended as follows:

(a) To delete paragraph (a) in its entirety and replace it with the following:

(a) As long as Shareholder holds, directly or indirectly, an aggregate number of outstanding shares of all classes of common stock of the Company representing or convertible into at least the number of shares of Common Stock equal to the Post Closing Seller Shares (as defined below), as such number of shares may be (i) adjusted to account for any Adjustment Event occurring after the Closing (as defined in the Purchase Agreement) or (ii) increased to reflect any additional shares acquired with the consent of the Company (the “Minimum Amount”), the Company agrees to propose one person designated by

TCCC who shall be reasonably acceptable to the Company for nomination to its Board of Directors at each election of directors when such nomination would be necessary for TCCC to have one representative on the Company's Board of Directors immediately following such election. Subject to applicable law, the Company shall use its best efforts to cause TCCC's nominee to become a member of the Company's Board of Directors or to be nominated for reelection to the Company's Board of Directors. If at any time between elections TCCC's nominee resigns or for any reason can no longer serve, the Company will use its best efforts to cause the vacancy to be filled by a person designated by TCCC and reasonably acceptable to the Company. The "Post Closing Seller Shares" shall be the number of shares of Common Stock held by CCCBI immediately after the Closing (as defined in the Purchase Agreement).

(b) To add the following to the end of paragraph (c):

As long as Shareholder holds, directly or indirectly, the Minimum Amount, if the Company proposes to engage in any transaction involving the direct or indirect sale or issuance of shares of Common Stock or Class B Common Stock (other than pursuant to equity incentive plans or similar executive compensation arrangements of the Company) and such sale or issuance would cause Shareholder to beneficially own less than 21.5% of the aggregate issued and outstanding shares of Common Stock (calculated assuming all issued and outstanding shares of Class B Common Stock are converted into Common Stock), Shareholder will be afforded the opportunity to purchase or otherwise acquire from the Company, for the same price and on the same terms as such shares of Common Stock or Class B Common Stock are offered (provided, however, that if the shares of Common Stock or Class B Common Stock are being sold or issued in exchange for anything other than cash, the Board of Directors of the Company shall make a good faith determination of the equivalent cash purchase price to be paid by Shareholder), the number of shares of Common Stock that would result in Shareholder beneficially owning 21.5% of the aggregate issued and outstanding shares of Common Stock (calculated assuming all issued and outstanding shares of Class B Common Stock are converted into Common Stock) immediately after the closing of such transaction.

2. This Amendment shall become effective at the Closing (as defined in the Purchase Agreement).
3. Other than as expressly amended by this Amendment, the Agreement will continue in effect in accordance with its terms. This Amendment is limited precisely as written and shall not be deemed to be an amendment to any other term or condition of the Agreement or any of the documents referred to therein.
4. In the event of any inconsistency or conflict between the terms of the Agreement and this Amendment, the terms of this Amendment shall prevail.
5. From and after the date of this Amendment, references in the Agreement to the "Agreement" or any provisions thereof shall be deemed to refer to the Agreement or such provisions as amended hereby unless the context otherwise requires and reference to "Amendment" shall be deemed to refer to this Amendment.
6. This Amendment shall terminate automatically upon the termination of the Purchase Agreement.
7. This Amendment and the rights of the parties hereto shall be governed by and construed in accordance with the laws of the State of Delaware.

8. This Amendment may be executed, by manual or electronic signature, in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

First Quarter 2024 Review

CHARLOTTE, May 6, 2024 – Coca-Cola Consolidated, Inc. (NASDAQ: COKE) today reported operating results for the first quarter ended March 29, 2024.

“Our solid first quarter results build on the improved profit margins and strong free cash flow we achieved in 2023,” said J. Frank Harrison, III, Chairman and Chief Executive Officer. “Our sustained strong performance gives us the confidence to announce our intended repurchase of up to \$3.1 billion of our outstanding Common Stock. We believe this is an ideal time to leverage the strength of our balance sheet by taking on a prudent amount of debt to return cash to stockholders and build long-term value.”

Net sales increased 1%^(a) to \$1.6 billion in the first quarter of 2024. Sparkling and Still net sales increased 3.4% and 0.4%, respectively, compared to the first quarter of 2023. Net sales growth was driven by our annual price increase that took effect during the quarter.

Standard physical case volume was down 0.4%, which was attributable to an extra selling day in the first quarter of 2023. Comparable^(b) standard physical case volume increased 0.7% versus the first quarter of 2023. Comparable^(b) Sparkling category volume grew 2.0% with strong performance of multi-serve packages sold in larger retail stores. The Sparkling category also benefited from Easter holiday sales activity shifting into the first quarter of 2024. Comparable^(b) Still category volume declined 3.1% during the first quarter of 2024.

Gross profit in the first quarter of 2024 was \$640.6 million, an increase of \$16.5 million, or 3%. Gross margin improved 50 basis points to 40.2%. Pricing actions taken during the first quarter, stable commodity prices and higher Sparkling sales contributed to the overall improvement in gross margin.

“We’re very pleased with our balanced profit growth and overall margin performance in the first quarter,” said Dave Katz, President and Chief Operating Officer. “We achieved a solid mix of volume and pricing growth while tightly managing our operating expenses. Our comparable volume growth of almost 1% reflects the continued strength of our brands and the success of new product launches such as Coke Spiced and the addition of Bang to our Energy portfolio.”

Selling, delivery and administrative (“SD&A”) expenses in the first quarter of 2024 increased \$7.1 million, or 2%. SD&A expenses as a percentage of net sales increased 10 basis points to 26.7% in the first quarter of 2024. The increase in SD&A expenses as compared to the first quarter of 2023 was primarily driven by an increase in labor costs related to annual wage adjustments.

Income from operations in the first quarter of 2024 was \$215.4 million, compared to \$206.1 million in the first quarter of 2023, an increase of 5%. Operating margin for the first quarter of 2024 was 13.5% as compared to 13.1% for the first quarter of 2023, an increase of 40 basis points.

Net income in the first quarter of 2024 was \$165.7 million, compared to \$118.1 million in the first quarter of 2023, an improvement of \$47.6 million. On an adjusted^(b) basis, net income in the first quarter of 2024 was \$162.5 million, compared to \$151.8 million in the first quarter of 2023, an increase of \$10.7 million. Income tax expense for the first quarter of 2024 was \$57.1 million, compared to \$41.1 million in the first quarter of 2023. The effective income tax rate for the first quarter of 2024 was 25.6%, compared to 25.8% for the first quarter of 2023.

Cash flows provided by operations for the first quarter of 2024 were \$194.3 million, compared to \$184.7 million for the first quarter of 2023. Cash flows from operations reflected our strong operating performance during the first quarter of 2024. In the first quarter of 2024, we invested \$77 million in capital expenditures as we continue to enhance our supply chain and invest for future growth. For the full year of 2024, we expect our capital expenditures to be between \$300 million and \$350 million. During the first quarter of 2024, we made dividend payments of \$155 million, which included a special dividend payment of \$150 million.

Intention to Repurchase Shares

The Company currently intends to purchase up to \$3.1 billion in value of its Common Stock through both a modified “Dutch auction” tender offer for up to \$2.0 billion of its Common Stock and a separate share purchase agreement (the “Purchase Agreement”) with a subsidiary of The Coca-Cola Company. The Company expects the price range for the tender offer to be \$850 to \$925 per share of Common Stock.

Under the Purchase Agreement, the Company has agreed to buy, and a subsidiary of The Coca-Cola Company has agreed to sell, at a purchase price equal to the price paid by the Company in the tender offer, a number of shares of Common Stock such that The Coca-Cola Company would beneficially own 21.5% of the Company’s outstanding shares of Common Stock after the repurchase and completion of the tender offer. The purchase of shares under the Purchase Agreement is conditioned on the purchase price applicable to the tender offer and the Share Repurchase being no less than \$925 per share. Should the applicable price in the tender offer be less than \$925 per share, The Coca-Cola Company shall have the option, but not the obligation, to sell their shares at that price. The tender offer is expected to be launched on or about May 20, 2024 and the purchase of shares under the Purchase Agreement is expected to occur on the 11th business day following the expiration of the tender offer.

“We believe that the proposed share repurchase enables us to optimize our balance sheet by raising a prudent amount of debt in order to return cash to stockholders,” said Mr. Harrison. “We intend to utilize our solid

financial position and projected strong cash flow to delever over the coming years while maintaining our current regular quarterly dividend and a solid investment grade rating profile.”

J. Frank Harrison, III will not participate in the tender offer with respect to the Common Stock he beneficially owns.

The Company intends to fund the repurchase with a combination of new funded debt and cash on hand.

^(a) All comparisons are to the corresponding period in the prior year unless specified otherwise.

^(b) The discussion of the operating results for the first quarter ended March 29, 2024 includes selected non-GAAP financial information, such as “comparable” and “adjusted” results. The schedules in this news release reconcile such non-GAAP financial measures to the most directly comparable GAAP financial measures.

^(c) The Company reports its financial results in accordance with accounting principles generally accepted in the United States (“GAAP”). However, management believes that certain non-GAAP financial measures provide users of the financial statements with additional, meaningful financial information that should be

considered, in addition to the measures reported in accordance with GAAP, when assessing the Company's ongoing performance. Management also uses these non-GAAP financial measures in making financial, operating and planning decisions and in evaluating the Company's performance. Non-GAAP financial measures should be viewed in addition to, and not as an alternative for, the Company's reported results prepared in accordance with GAAP. The Company's non-GAAP financial information does not represent a comprehensive basis of accounting.
